one2one
BY McCARTHY MENTORING

Why one2one?

Having a well-structured mentoring program increases ROI

Engage, motivate and develop

one2one is a new online mentoring platform that delivers increased structure and guidance to participants.

The platform explores key leadership themes important to career success in an engaging, inspiring and practical way that builds the capability of both the mentor and mentee.

Ideal for industry and organisation-wide mentoring programs

- Explores key leadership themes through interactive exercises, case studies and practical tools
- Inspirational interviews with some of Australia's most successful leaders
- Monthly health checks and trigger email prompting action
- Profile to store goals, career plans and resources
- Program summary on completion

10 Key Leadership Themes

- GOAL SETTING
- MY STRENGTHS AND ABILITIES
- DESIGNING MY CAREER
- MY PROFILE AND NETWORK
- EFFECTIVE LEADERSHIP
- INFLUENCING & NEGOTIATING
- MANAGING DIFFICULT WORK SITUATIONS
- WORK LIFE FAMILY
- RISK AND RESILIENCE
- REFLECTION & YOUR FUTURE

Who is it for?

one2one is ideal for organisations looking for structure, guidance and resources for existing and new mentoring programs

MENTEES

offers structure and professional development tools to enhance experience and stimulate conversations

MENTORS

provides guidance and support, particularly for those less experienced

How does one2one work?

1. Participant logs on
2. Completes activities, case studies and videos
3. Plans for mentoring discussion
4. Has discussion and records notes on system
5. Moves to Next topic

Mentors have referred to it as a "roadmap that is useful in ensuring that topics are covered" whilst mentees note that the one2one platform has given them a "clear focus for conversations" with their mentor.
