NEWCASTLE EXECUTIVE LEADERSHIP FORUM 2017

McCarthy Mentoring is pleased to launch the Newcastle Executive Leadership Forum in 2017 to connect and inspire leaders from across sectors. The forum will address key leadership themes and allow peers to discuss challenges, opportunities and performance in a confidential and supportive environment.

This exclusive forum is specifically designed for senior executives and business owners who want to share insights, be challenged and stretched to achieve their ultimate potential. It will provide new ideas, refine leadership skills and offer a fresh perspective from peers and thought leaders facing similar challenges.

As specialists in leadership development, McCarthy Mentoring will facilitate the sessions providing clear objectives and structure to each confidential discussion ensuring the delivery of real outcomes for each participant.
