

McCARTHY MENTORING

EXECUTIVE LEADERSHIP FORUMS 2017 CANBERRA & SYDNEY

McCarthy Mentoring is launching Executive Leadership Forums in Canberra and Sydney. The forum brings together executives, business owners and senior leaders from across sectors to address key leadership themes and allow peers to discuss challenges, opportunities and performance in a confidential small-group environment.

These exclusive forums are specifically designed to provide practical strategies and address real life scenarios to strengthen capability, confidence and capacity to effectively lead in this changing environment. Participants will share insights, be challenged and stretched to achieve their ultimate potential.

As specialists in leadership development, McCarthy Mentoring will facilitate the sessions providing clear objectives and structure. Our work across sectors and industries will bring diverse thinking and valuable examples.

KEY BENEFITS

- Reflect on your goals and your business in a confidential and trusted environment
- Share and exchange ideas with leaders facing similar challenges
- Exclusive group size of 10 to deliver maximum value for each participant
- Draw on examples and case studies from the group
- Stretch and challenge your thinking
- Build valuable peer networks across sectors and industries
- Practical strategies in addressing key challenges faced in your role and organisation
- Improve self-awareness and leadership ability
- Facilitated discussions centred around key leadership themes

MEMBERSHIP INCLUDES

Participation in six bi-monthly forums commencing August 2017. Topics include:

- Leading change and transformation
- Managing difficult situations
- Leading and managing teams
- Influencing and negotiating
- Risks and resilience
