BY MCCARTHY MENTORING

Why one2one?

Having a well-structured mentoring program increases ROI

Engage, motivate and develop

one2one is a new online mentoring platform that delivers increased structure and guidance to participants.

The platform explores key leadership themes important to career success in an engaging, inspiring and practical way that builds the capability of both the mentor and mentee.

Ideal for industry and organisation-wide mentoring programs

- Explores key leadership themes through interactive exercises, case studies and practical tools
- Inspirational interviews with some of Australia's most successful leaders
- Monthly health checks and trigger email prompting action
- Profile to store goals, career plans and resources
- Program summary on completion
