

# 2020 Leadership

**New 3 month program**

**Leadership  
Assessment**

**Executive  
Mentoring**

**A mentor  
supports  
and enables  
executives  
to perform at  
their best.**

## **Empower your most valuable leaders to:**

- Adapt to a changing environment
- Sustain energy and motivate their teams
- Communicate more effectively

The COVID-19 pandemic has disrupted and challenged the way we work and lead. A mentor can engage, develop skills and improve performance at a time when we need it the most. Access our outstanding mentor network of experienced business leaders who are ready to help and support via this three month program.

## **2020 Leadership includes:**

- A leadership assessment to build deeper insights into your people's strengths and areas of opportunity to grow and develop. Insights will be delivered via a 1.5 hour Hogan Accredited coach debrief and reports.
- Three tailored one-on-one executive mentoring sessions with an experienced business leader (seven hours).

Insights and mentoring via phone or video conference from wherever you are in the world.

McCarthy Mentoring is the leadership development organisation that has inspired and developed leaders around the world for 20 years. We partner with prominent organisations across the corporate, government and not-for-profit sectors to deliver tailored programs that improve performance and drive change.

"We aim to create a life-changing experience. We understand the challenges leaders face and the skills needed to succeed. Participants will be empowered to have more confidence and capability to become agile effective leaders."
