

# SPRINGBOARD

## 2024

### ENABLE. DEVELOP. INSPIRE

McCARTHY MENTORING

Combine powerful insights with an executive coach to start the new year with a clear plan and effective practices to perform at your best.

Springboard is our short, high impact program that clarifies goals, builds self-awareness and improves your performance. The Hogan Leadership Assessment is a powerful tool that gives you a deeper understanding of your strengths, drivers, values and derailing behaviours.

The coaching sessions explore these insights and enable you to reflect, focus and plan for the rest of the year.

## SPRINGBOARD 2024 INCLUDES

- A **Hogan Leadership Assessment** including detailed reports and 1.5hr insights debrief with a coach: building self-awareness, and a plan around leadership strengths, behaviours and challenges
- Three tailored coaching sessions – one-on-one guidance on goals, performance or work challenges
- Personalised matching, organisation briefing and expert support from McCarthy Mentoring
- Virtual delivery from anywhere in the world

“Starting the year with clarity, confidence and practical tools to draw on sets you up for a successful and sustainable year ahead. We work with people leading complex organisations in infrastructure, community services, energy and finance and we all benefit from a reset each year. Let’s continue 2024 ready for anything!”
